FOREWORD

We have selected from our breeding herds 4 bulls, and 32 females for this sale. You will find these cattle of medium type, as good as their pedigrees. You will see when you look through the catalog that the foundation cows were purchased from the leading herds of this country and nothing but the best bulls were used. This is without doubt the finest group of cattle we have ever offered.

You also will find that these cattle will give a good account of themselves when raised under the average farm conditions. These females are all calfhood vaccinated as this has been our practice for many years.

The Iroquois Shorthorn Breeders' Ass'n., will sell a consignment from the outstanding herds of Eastern Illinois and Western Indiana.

To assist our buyers, these cattle can be left at the farm until trucks can be arranged for.

GENERAL INFORMATION

Terms—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchased. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

The guarantee on page 39 and terms shall constitute a contract between consignor and buyer on each lot. Neither the sale manager, clerk of the sale, nor the Association assumes any liability legal or otherwise.

Where footnotes appear in this catalog, they were furnished by the consignors, or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

Mail Bids—Those unable to attend the sale may send their bids to the sale manager, Glen Kietzman, Loda, Ill., Auctioneers, or Staff of the Shorthorn World, Aurora, Ill.

Auctioneers—Pete Swaffar, Tulsa, Oklahoma, Harvey Miller, Danvers, Ill., Jim Humphreys, Wolcott, Ind.

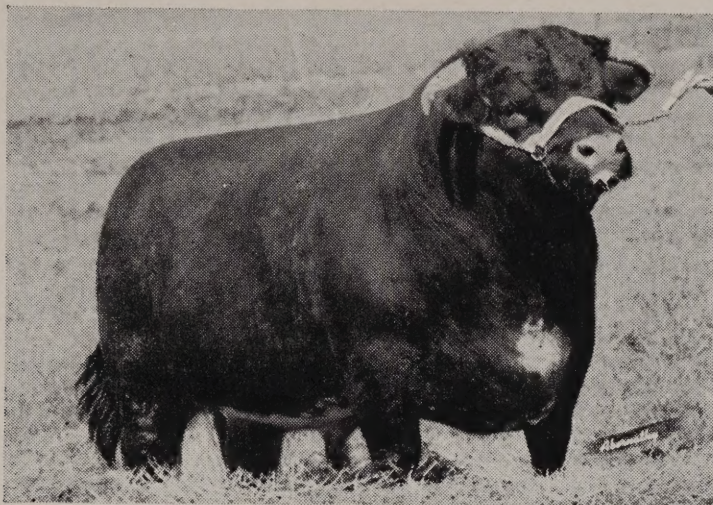

Representatives—American Shorthorn Breeders' Assn., James W. Browitt, Lexington, Ky.

Lunch on grounds.

I'm sure you will be as pleased with these cattle as I was when I visited these herds recently. They are the best that have been offered in an Iroquois Shorthorn Association, Steinmetz Bros., sale.

The wonderful bred heifers and the great group of cows and calves will thrill any cattleman, and on studying the catalog you will find that these well fitted individuals have the kind of pedigrees that provide a firm foundation for your herd. Such fine individuality combined with strong bloodlines produce Shorthorns that will make your business more profitable.

Horace W. Walker,
The Shorthorn World

● J. A. SENSATION — Look at this pedigree, then look him over sale day. Remember his half brother sold for \$1500 in the Ill. State Sale this year. We have two calves out of him and all of our heifers bred to him. We are keeping our old Huntsman bull and just can't keep two grown bulls, this is the only reason for selling him. Guaranteed to be a breeder in every way.

● GLADIOLUS R W REFEREE — Pasture bred to Mandarin's Priority, to calve in Oct. A good heifer that we should keep. Calfhood vaccinated.

STANDARD GUARANTEE of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments shall be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion test within 30 days prior to sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
